Horses in the Oz Incorporated Program are required to be in full training. This is to ensure that all horses maintain the level of care essential for sport horses.

Full Training Program includes, but is not limited to, all of the following:

- All professional rides and unlimited lessons
- Turn-out with appropriate boots and blankets
- Regular trimming of ears, muzzle, and fetlocks
- Regular mane pulls
- Coordination of veterinarian and blacksmith activities
 - Maintaining accurate records of all treatments and exams
 - Scheduling inoculations, vaccinations, worming, health papers, and coggins tests
 - Organizing specific feed activities and medications
- Completion and mailing of horse show entries
- Organizing equine insurance exams if so desired

Lay-Up Program

In the unfortunate instance that a horse is unable to maintain his normal program, we assist in his or her recovery as per veterinarian's instructions. Your monthly charges will be credited at a rate of \$10/day. We maintain ultrasound and electromagnetic equipment on location and will be used on a per diem basis if needed.

Commissions

Commissions will be charged on all sales at the rate of 15%. When Oz Incorporated acts as an agent for both the purchaser and the seller, each party will be responsible for a commission fee of 7.5%. All sales and purchases will be on a full disclosure basis.
